ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessment. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges,

(2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided, and (3) assessments for utilities as provided in Article VI. The annual, special, and utility assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the properties and for the improvement and maintenance of the Common Area and other improvements situated upon the Properties. Neither annual nor special assessments may be used for the construction of capital improvements during the development period.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment, excepting utility assessments, shall be Four Hundred Twenty and 00/100 Dollars (\$420.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year unless a vote of the membership approves a greater increase as provided in Section 3(b).

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum figure provided in Section 3(a).

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments, the Associa-

tion may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly or other periodic basis. In the event there are undeveloped Lots, they may be assessed at ten percent (10%) of the amount of the developed Lot assessment rate based upon Association duties and expenses which do benefit such Lots, provided the financial stability of the Association will not be jeopardized, in which event the assessment rate and percentage may be increased.

Section 7. Date of Commencement of Annual Assessments.
Due Dates. The annual assessments shall commence as to all Lots on the first day of the month following the conveyance of the Common Area to the Homeowners' Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting

forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum, unless a different interest rate is established by the Board of Directors. The Association may bring an action at law against the Owner personally obligated to pay the sum, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V

ARCHITECTURAL CONTROL AND USE RESTRICTIONS

Section 1. Architectural Control. No building, fence, wall or other structure, television, radio or other electronic antenna or satellite dish shall be commenced, erected, maintained, repaired or replaced or landscaping provided upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, color, texture, heights, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days

after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

Section 2. Use Restriction. No part of the Properties shall be used for any commercial, manufacturing, mercantile, storing, vending, or other such non-residential purposes.

Section 3. Offensive Activity. No noxious or offensive trade or activity shall be carried on upon any Lot or any part of the Properties, nor shall anything be done thereon that shall in any way interfere with the quiet enjoyment of other Owners or which shall in any way increase the rate of insurance.

Section 4. Building Conditions. All Lots which are contained in the same building must maintain and keep the same existing color on the exterior, including walls and roofs (shingles), and such color shall be kept uniform as to each building and in attractive condition, except upon the written agreement to do otherwise signed by the Board or its designated committee. Each Lot shall be maintained in good repair at all times and in a desirable and attractive condition.

ARTICLE VI

UTILITY SERVICE AND UTILITY ASSESSMENTS

Section 1. Easements. All Owners are given mutual easements across the Lots and Common Areas for purpose of reasonable installation, repair, maintenance and replacement of common water and sewer lines for each Dwelling Unit, and cable television and other utilities such as electricity, gas, and telephone. The Association will provide maintenance for such lines in all Common Areas, but each Owner will provide such maintenance within each Lot. Costs of repair shall be shared by Owners on lines servicing more than one (1) Lot, but when servicing only one (1) Lot, the repair shall be the responsibility of the Lot Owner being served.

Section 2. Utility Assessments. Water and sewer utilities are metered on a building/development basis and will be prorated among Owners of improved Lots as equitably determined by the Association. The Board of Directors of the Association may develop reasonable rules and procedures governing advance payment of utility costs, and reasonable

deposits comparable to those required by local cities and utility companies, based on estimates, past costs, projected costs or otherwise, and also governing interest charges on delinquent accounts, utility shut-off procedures and collection procedures for nonpayment. At least fifteen (15) days advance written notice to an Owner whose utility assessment is not current may be given, requiring the Owner to either pay all utility assessments or upon failure to do so within the fifteen (15) day period permitting the Association to shut-off water or other utility services until all assessments are paid in full. Reasonable reserves may be established for anticipated rate/use increases, bad debts and other projected costs or losses. Such fees for utility service shall not be comingled with other funds.

ARTICLE VII

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the Dwelling Units upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owners' successors in title.

ARTICLE VIII

EXTERIOR MAINTENANCE

In the event an Owner shall fail to maintain the Lot and the improvements situated thereon in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds (2/3) vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon said parcel and to repair, maintain and restore the Lot and the exterior of the buildings and any other improvements erected thereon. The cost of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject.

ARTICLE IX

GENERAL PROVISIONS

Section 1. Animals. No animals, livestock or poultry of any kind shall be raised, bred, or kept on the Properties, except a reasonable number of dogs, cats, or other common household pets may be kept indoors but not outdoors, except in any approved "private" common area, and further provided the common area is fenced and accessible only to the Lot. More than two (2) dogs or more than two (2) cats on any one (1) Lot shall be deemed unreasonable.

Section 2. Refuse. Each Owner shall provide garbage and refuse containers and receptacles and shall see that each Lot is kept in clean and sanitary condition, and refuse shall be kept in receptacles and the refuse regularly placed for pick-up by public sanitation services.

Section 3. Enforcement. The Association, or any Owner, shall have the right to enforce, by a proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 4. Boats and trailers. No boat, trailer, or RV shall be parked on any road or parking space in excess of seven (7) days. Such vehicles may be kept in garages but otherwise must be stored and parked off the Properties except as specifically permitted.

Section 5. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect. The covenants and restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 6. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety percent (90%) of the Lot Owners, and thereafter by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners. Any amendment must be recorded.

Section 7. Annexation. a. Annexation with Approval of Members. Additional residential property and Common Area may be annexed to the Properties with the consent of two-thirds (2/3) of each class of members; or

b. Annexation Without Approval of Members or Association and Pursuant to General Plan. Any real property may be annexed to and become subject to this Declaration and subject to the jurisdiction and a part of the Association without approval, assent, or vote of the Association or its members, providing and on condition that:

(1) Prior to the conveyance of title to any real property or any improved lots within real property to be annexed to individual purchasers, thereof, fee simple title or right-of-way to the common area within said real property shall be conveyed to the Association, free and clear of any and all encumbrances and liens, except current real property taxes, which taxes shall be prorated to the date of transfer, and easements, covenants, conditions, and restrictions then of record, including those set forth in this Declaration.

(2) A Supplementary Declaration of Covenants, Conditions, and Restrictions, as described hereinafter in this Section, covering said real property described on Exhibit "C", shall be executed and recorded by the owner of said real property, or its successors and assigns. Annexations must take place under this Section on or before ten (10) years after the date of recording of this Declaration. The recordation of said Supplementary Declaration shall constitute and effectuate the annexation of the said real property described herein making said real property subject to this Declaration and subject to the functions, powers, and jurisdiction of the Association, and thereafter all of the owners of Lots in said real property shall automatically be members of the Association.

(3) Determination of FHA and/or VA and/or HUD, if required by some or all, that the annexation is in accord with the general plan previously approved by them or to subsequently be approved by them.

(4) Any property annexed may include a Supplementary Declaration of Restrictions applicable exclusively to that area annexed.

c. Supplementary Declarations. The additions authorized under the foregoing Section shall be made by filing of record a Supplementary Declaration of Covenants, Conditions and Restrictions, or similar instrument, with respect to the additional property which shall extend the plan of this Declaration to such property.

Such Supplementary Declaration contemplated above may contain such complementary additions and modifications to the covenants, conditions, and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added property and as are not inconsistent with the plan of this Declaration. In no event, however, shall any such Supplementary Declaration, merger, or consolidation revoke, modify, or add to the covenants established by this Declaration within the existing property, except as hereinafter otherwise provided.

The recordation of said Supplementary Declaration shall constitute and effectuate the annexation of the said real property described therein, making said real property subject to this Declaration and subject to the functions, powers, and jurisdiction of the Association, and thereafter all of the

owners of Lots in said real property shall automatically be members of the Association.

Section 8. FHA/VA/HUD Approval As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration or Dept. of Housing & Urban Development: Annexation of additional properties, except as permitted in Article IX, Section 7b, dedication of Common Area, and amendment of this Declaration of Covenants, Conditions and Restrictions.

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessment. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges,

(2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided, and (3) assessments for utilities as provided in Article VI. The annual, special, and utility assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the properties and for the improvement and maintenance of the Common Area and other improvements situated upon the Properties. Neither annual nor special assessments may be used for the construction of capital improvements during the development period.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment, excepting utility assessments, shall be Four Hundred Twenty and 00/100 Dollars (\$420.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year unless a vote of the membership approves a greater increase as provided in Section 3(b).

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum figure provided in Section 3(a).

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments, the Associa-

tion may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds ($2/3$) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half ($1/2$) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly or other periodic basis. In the event there are undeveloped Lots, they may be assessed at ten percent (10%) of the amount of the developed Lot assessment rate based upon Association duties and expenses which do benefit such Lots, provided the financial stability of the Association will not be jeopardized, in which event the assessment rate and percentage may be increased.

Section 7. Date of Commencement of Annual Assessments.
Due Dates. The annual assessments shall commence as to all Lots on the first day of the month following the conveyance of the Common Area to the Homeowners' Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting

forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments:
Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum, unless a different interest rate is established by the Board of Directors. The Association may bring an action at law against the Owner personally obligated to pay the sum, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V

ARCHITECTURAL CONTROL AND USE RESTRICTIONS

Section 1. Architectural Control. No building, fence, wall or other structure, television, radio or other electronic antenna or satellite dish shall be commenced, erected, maintained, repaired or replaced upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, color, texture, heights, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days

after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

Section 2. Use Restriction. No part of the Properties shall be used for any commercial, manufacturing, mercantile, storing, vending, or other such non-residential purposes.

Section 3. Offensive Activity. No noxious or offensive trade or activity shall be carried on upon any Lot or any part of the Properties, nor shall anything be done thereon that shall in any way interfere with the quiet enjoyment of other Owners or which shall in any way increase the rate of insurance.

Section 4. Building Conditions. All Lots which are contained in the same building must maintain and keep the same existing color on the exterior, including walls and roofs (shingles), and such color shall be kept uniform as to each building and in attractive condition, except upon the written agreement to do otherwise signed by the Board or its designated committee. Each Lot shall be maintained in good repair at all times and in a desirable and attractive condition.

ARTICLE VI

UTILITY SERVICE AND UTILITY ASSESSMENTS

Section 1. Easements. All Owners are given mutual easements across the Lots and Common Areas for purpose of reasonable installation, repair, maintenance and replacement of common water and sewer lines for each Dwelling Unit, and cable television and other utilities such as electricity, gas, and telephone. The Association will provide maintenance for such lines in all Common Areas, but each Owner will provide such maintenance within each Lot. Costs of repair shall be shared by Owners on lines servicing more than one (1) Lot, but when servicing only one (1) Lot, the repair shall be the responsibility of the Lot Owner being served.

Section 2. Utility Assessments. Water and sewer utilities are metered on a building/development basis and will be prorated among Owners of improved Lots as equitably determined by the Association. The Board of Directors of the Association may develop reasonable rules and procedures governing advance payment of utility costs, and reasonable

deposits comparable to those required by local cities and utility companies, based on estimates, past costs, projected costs or otherwise, and also governing interest charges on delinquent accounts, utility shut-off procedures and collection procedures for nonpayment. At least fifteen (15) days advance written notice to an Owner whose utility assessment is not current may be given, requiring the Owner to either pay all utility assessments or upon failure to do so within the fifteen (15) day period permitting the Association to shut-off water or other utility services until all assessments are paid in full. Reasonable reserves may be established for anticipated rate/use increases, bad debts and other projected costs or losses. Such fees for utility service shall not be comingled with other funds.

ARTICLE VII

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the Dwelling Units upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owners' successors in title.

ARTICLE VIII

EXTERIOR MAINTENANCE

In the event an Owner shall fail to maintain the Lot and the improvements situated thereon in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds (2/3) vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon said parcel and to repair, maintain and restore the Lot and the exterior of the buildings and any other improvements erected thereon. The cost of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject.

ARTICLE IX

GENERAL PROVISIONS

Section 1. Animals. No animals, livestock or poultry of any kind shall be raised, bred, or kept on the Properties, except a reasonable number of dogs, cats, or other common household pets may be kept indoors but not outdoors. More than two (2) dogs or more than two (2) cats on any one (1) Lot shall be deemed unreasonable.

Section 2. Refuse. Each Owner shall provide garbage and refuse containers and receptacles and shall see that each Lot is kept in clean and sanitary condition, and refuse shall be kept in receptacles and the refuse regularly placed for pick-up by public sanitation services.

Section 3. Enforcement. The Association, or any Owner, shall have the right to enforce, by a proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 4. Boats and trailers. No boat, trailer, or RV shall be parked on any road or parking space in excess of seven (7) days. Such vehicles may be kept in garages but otherwise must be stored and parked off the Properties except as specifically permitted.

Section 5. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect. The covenants and restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 6. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety percent (90%) of the Lot Owners, and thereafter by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners. Any amendment must be recorded.

Section 7. Annexation. a. Annexation with Approval of Members. Additional residential property and Common Area may be annexed to the Properties with the consent of two-thirds (2/3) of each class of members; or

b. Annexation Without Approval of Members or Association and Pursuant to General Plan. Any real property may be annexed to and become subject to this Declaration and subject to the jurisdiction and a part of the Association without approval, assent, or vote of the Association or its members, providing and on condition that:

(1) Prior to the conveyance of title to any real property or any improved lots within real property to be annexed to individual purchasers, thereof, fee simple title or right-of-way to the common area within said real property shall be conveyed to the Association, free and clear of any and all encumbrances and liens, except current real property taxes, which taxes shall be prorated to the date of transfer, and easements, covenants, conditions, and restrictions then of record, including those set forth in this Declaration.

(2) A Supplementary Declaration of Covenants, Conditions, and Restrictions, as described hereinafter in this Section, covering said real property described on Exhibit "C", shall be executed and recorded by the owner of said real property, or its successors and assigns. Annexations must take place under this Section on or before ten (10) years after the date of recording of this Declaration. The recordation of said Supplementary Declaration shall constitute and effectuate the annexation of the said real property described herein making said real property subject to this Declaration and subject to the functions, powers, and jurisdiction of the Association, and thereafter all of the owners of Lots in said real property shall automatically be members of the Association.

(3) Determination of FHA and/or VA and/or HUD, if required by some or all, that the annexation is in accord with the general plan previously approved by them or to subsequently be approved by them.

(4) Any property annexed may include a Supplementary Declaration of Restrictions applicable exclusively to that area annexed.

c. Supplementary Declarations. The additions authorized under the foregoing Section shall be made by filing of record a Supplementary Declaration of Covenants, Conditions and Restrictions, or similar instrument, with respect to the additional property which shall extend the plan of this Declaration to such property.

Such Supplementary Declaration contemplated above may contain such complementary additions and modifications to the covenants, conditions, and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added property and as are not inconsistent with the plan of this Declaration. In no event, however, shall any such Supplementary Declaration, merger, or consolidation revoke, modify, or add to the covenants established by this Declaration within the existing property, except as hereinafter otherwise provided.

The recordation of said Supplementary Declaration shall constitute and effectuate the annexation of the said real property described therein, making said real property subject to this Declaration and subject to the functions, powers, and jurisdiction of the Association, and thereafter all of the

owners of Lots in said real property shall automatically be members of the Association.

Section 8. FHA/VA/HUD Approval As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration or Dept. of Housing & Urban Development: Annexation of additional properties, except as permitted in Article IX, Section 7b, dedication of Common Area, and amendment of this Declaration of Covenants, Conditions and Restrictions.

Each such Assessment, together with interest, costs, and reasonable attorney's fees, shall be the personal obligation of the person who was the Owner of such property at the time when the Assessment fell due. The personal obligation for delinquent Assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. PURPOSE OF ASSESSMENTS. The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area and other improvements situated upon the Properties. Neither annual nor special Assessments may be used for the construction of capital improvements during the development period.

Section 3. MAXIMUM ANNUAL ASSESSMENT. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual Assessment, excepting utility Assessments, shall not exceed \$1,000 per Lot.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual Assessment may be increased each year not more than five percent (5%) above the maximum Assessment for the previous year unless a vote of the membership approves a greater increase as provided in Section 3(b)
- (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual Assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.
- (c) The Board may fix the annual Assessment at an amount not in excess of the maximum figure provided in Section 3(a).

Section 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS. In addition to the annual Assessments, the Association may levy, in any Assessment year, a special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such Assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 3 AND 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. UNIFORM RATE OF ASSESSMENT. Both annual and special Assessments must be fixed at a uniform rate for all Lots and may be collected by the Board on a monthly or other periodic basis. In the event there are undeveloped Lots, the Owner's of the undeveloped Lots may be Assessed at ten percent (10%) of the amount of the developed Lot Assessment rate based upon Association duties and expenses which do benefit such Lots, provided the financial stability of the Association will not be jeopardized, in which event the the undeveloped Lot Assessment rate and percentage may be increased.

Section 7. DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS. The annual Assessments shall commence as to all Lots on the first day of the month following the conveyance of the Common Area to the Homeowners' Association. The first annual Assessment

The Board shall fix the amount of the annual Assessment against each Lot at least thirty (30) days in advance of each annual Assessment period. Written notice of the annual Assessment shall be sent to every Owner. The due dates shall be established by the Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Board setting forth whether the Assessments on a specified Lot have been paid. A properly executed certificate of the Board as to the status of Assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. EFFECT OF NONPAYMENT OF ASSESSMENTS REMEDIES OF THE ASSOCIATION. Any Assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum unless a different interest rate is established by the Board. The Association may bring an action at law against the Owner personally obligated to pay the sum, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the Assessments provided herein by non-use of the Common Area or abandonment of his Lot.

Section 9. SUBORDINATION OF THE LIEN TO MORTGAGES. The lien of the Assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the Assessment lien, however, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

ARTICLE V

Section 1. ARCHITECTURAL CONTROL. No building, fence, wall or other structure, television, radio or other electronic antenna or satellite dish shall be commenced, erected, maintained, repaired or replaced or landscaping provided upon the Properties nor shall any interior or exterior structural addition to or change or alteration whether permanent or temporary therein be made until the plans and specifications showing the nature, kind, shape, color, texture, heights, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board, or by an architectural committee composed of three (3) or more representatives appointed by the Board ("Architectural Committee"). In the event said Board, or the Architectural Committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

Section 2. USE RESTRICTION. No part of the Properties shall be used for any

commercial, manufacturing, mercantile, storing, vending, or other such non-residential purposes. Other prohibited uses, which may be expanded or retracted by the Board or the Architectural Committee from time to time include, but are not limited to exterior clotheslines, wind chimes or other hanging decorative items, plastic, sun screen or other reflective type material applied to the interior or exterior of any window. Section 4. BUILDING CONDITIONS. All Lots which are contained in the same building must maintain and keep the same existing color on the exterior, including walls, doors and roofs (shingles), and such color shall be kept uniform as to each building and in a desirable and attractive condition except upon the written agreement to do otherwise signed by the Board or the Architectural Committee. Each Lot shall be maintained in good repair at all times and in a desirable and attractive condition.

The Board may develop reasonable rules and procedures governing advance payment of utility costs, and reasonable deposits comparable to those required by local cities and utility companies, based on estimates, past costs, projected costs or otherwise, and also governing interest charges on delinquent accounts, utility shut-off procedures and collection procedures for nonpayment. At least fifteen (15) days advance written notice to an Owner whose utility Assessment is not current may be given, requiring the Owner to either pay all utility Assessments or upon failure to do so within the fifteen (15) day period permitting the Association to shut-off water or other utility services until all Assessments are paid in full. Reasonable reserves may be established for anticipated rate/use increases, bad debts and other

projected costs or losses. Such fees for utility service shall not be comingled with other Association funds.

Section 2. SHARING OF REPAIR AND MAINTENANCE. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. DESTRUCTION BY FIRE OR OTHER CASUALTY. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. WEATHERPROOFING. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. RIGHT TO CONTRIBUTION RUNS WITH LAND. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owners' successors in title.

ARTICLE VIII **EXTERIOR MAINTENANCE**

In the event an Owner shall fail to maintain the Lot, rear Private Common Area, and the improvements situated thereon in a manner satisfactory to the Board or Association, the Board, after approval by two-thirds (2/3) vote of the Association, shall have the right, through its agents and employees, to enter upon said parcel and to repair, maintain and restore the Lot and the exterior of the buildings and any other improvements erected thereon. The cost of such exterior maintenance shall be added to and become part of the Assessment to which such Lot is subject.

ARTICLE IX

GENERAL PROVISIONS

Section 1. ANIMALS. No animals, livestock or poultry of any kind shall be raised, bred, or kept on the Properties, except two (2) dogs, or two (2) cats, but not both, or other common household pets not to exceed a total of two (2), may be kept indoors but not outdoors, except in any approved "private" common area, and further provided the common area is fenced and accessible only to the Lot. Section 3. ENFORCEMENT. The Board, the Association, or any Owner, shall have standing to enforce, by a proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. The covenants and restrictions by judgment or court order shall in no wise affect any other provisions of this Declaration which shall remain in full force and effect.

Section 6. AMENDMENT. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during; the first twenty (20) year period by an instrument signed by not less than ninety percent (90%) of the Lot Owners, and thereafter by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners. Any amendment must be recorded.

Section 7. ANNEXATION.

(a) **Annexation with Approval of Members.** Additional residential property and

Common Area may be annexed to the Properties with the consent of two-thirds (2/3) of each class of Association members; or

- (b) Annexation Without Approval of Members or Association and Pursuant to General Plan. Any real property may be annexed to and become subject to this Declaration and subject to the jurisdiction and a part of the Association without approval, assent, or vote of the Association or its members, providing and on condition that:
- i) Prior to the conveyance of title to any real property or any improved lots within real property to be annexed to individual purchasers, thereof, fee simple title or right-of-way to the common area within said real property shall be conveyed to the Association, free and clear of any and all encumbrances and liens, except current real property taxes, which taxes shall be prorated to the date of transfer, and easements, covenants, conditions, and restrictions then of record, including those set forth in this Declaration.
 - ii) A Supplementary Declaration of Covenants, Conditions, and Restrictions, as described hereinafter in this Section, covering said real property described on Exhibit "C", shall be executed and recorded by the owner of said real property, or its successors and assigns. Annexations must take place under this Section on or before ten (10) years after the date of recording of this declaration. The recordation of said Supplementary Declaration shall constitute and effectuate the annexation of the said real property described herein making said property subject to this Declaration and subject to the functions, powers and jurisdiction of the Association, and thereafter all of the Owners of Lots in said real property shall automatically be members of the Association.
 - iii) Determination of FHA and/or VA and/or HUD, if required by some or all, that the annexation is in accord with the general plan previously approved by them or to subsequently be approved by them.
 - iv) Any property annexed may include a Supplementary Declaration of Restrictions applicable exclusively to that area annexed.
- (c) Supplementary Declarations. The additions authorized under the foregoing Section shall be made by filing of record a Supplementary Declaration of Covenants, Conditions and Restrictions, or similar instrument, with respect to the additional property which shall extend the plan of this Declaration to such property. Such Supplementary Declaration contemplated above may contain such complementary additions and modifications to the covenants, conditions, and

restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added property and as are not inconsistent with the plan of this Declaration. In no event however shall any such Supplementary Declaration, merger, or consolidation revoke, modify, or add to the covenants established by this Declaration within the existing property, except as hereinafter otherwise provided.

The recordation of said Supplementary Declaration shall constitute and effectuate the annexation of the said real property described therein, making said real property subject to this Declaration and subject to the functions, powers, and jurisdiction of the Board, and thereafter all of the Owners of Lots in said real property shall automatically be members of the Association.

Section 8. FHA/HUD APPROVAL. As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration or Department of Housing and Urban Development:

BYLAWS OF DEVONSHIRE DOWNS HOMEOWNERS ASSOCIATION

I. IDENTITY

These are the Bylaws of Devonshire Downs Home Owners Association, a Planned Unit Development ("Devonshire Downs"), duly made and provided for in accordance with the Utah Condominium Ownership Act (the "Act"). Any term used herein which is defined in the Declaration to which these Bylaws are appended shall have the meaning ascribed therein.

II. OFFICE

The office of the Association shall be located at the Planned Unit Development or at such other place as may be designated by the Board.

III. APPLICATION

All present or future Owners, tenants, or any other persons who might use the facilities of Devonshire Downs in any manner are subject to the regulations set forth in these Bylaws. The mere acquisition or rental of any of the Lots or parts thereof, or the mere act of occupancy or use of any of said Lots or parts thereof or the Common Areas will signify that these Bylaws are accepted, ratified, and will be complied with by said persons.

V. ASSOCIATION

1. Members. The members of the Association shall consist of all persons owning a Lot of Devonshire Downs, in fee simple as shown in the records of the County Recorder of Cache County, Utah. No mortgagee or a beneficiary or trustee under a deed of trust shall be a member unless and until such a party has acquired title pursuant to foreclosure or any arrangement or proceeding in lieu thereof. The interest of a member in the funds and assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as an appurtenance to the member's Lot.

2. Place of Meetings. Meetings of the Association shall be held at such place within the State of Utah as the Board may specify in the notice, except as herein otherwise specified.

3. Annual Meetings. The first annual meeting of the Association shall be held at 8:00 p.m. on the first Wednesday in October, 1996. Thereafter, the annual meetings shall be held on such day of each succeeding year; provided, however, that whenever such date falls on a legal holiday, the meeting shall be held on the next succeeding business day, and further provided that the Board may by resolution fix the date of the annual meeting on such date or at such other place as the Board may deem appropriate.

4. Special Meetings. Special meetings of the Association may be called at any time by the Board or by Lot Owners who collectively hold at least thirty (30) percent of the total vote which vote count is outlined more fully at Article III of the Declaration. Such meeting shall be held at such place as the Board may specify and the notice thereof shall state the date, time and matters to be considered.

5. Notices. Written or printed notice stating the place, day and hour of all meetings of the Association and, in case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten (10) days before the date of the meeting, either personally or by mail to each Lot Owner. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the member at his address as it appears on the records of the Association, with postage thereon prepaid.

6. Quorum. At the meeting of the Association, the Owners of more than fifty (50%) percent in the aggregate of interest in the undivided ownership of the Common Area shall constitute a quorum for any and all purposes, except where express provisions of these Bylaws or the Declaration require a vote of more than fifty (50%) percent of the Association, in which event a quorum shall be the percentage of interest required for such vote and the vote count will always be consistent with Article III of the Declaration regardless of percentage ownership of the Common Area. In the absence of a quorum, the President may adjourn the meeting from time to time, without notice other than by announcement at the meeting, until holders of the amount of interest requisite to constitute a quorum shall attend. At any such adjourned meeting at which a quorum shall be present any business may be transacted which might have been transacted at the meeting as originally notified.

7. Voting. When a quorum is present at any meeting, the vote of the Lot Owners representing more than fifty (50%) percent of the undivided interest present at the meeting either in person or represented by proxy, from which the vote count is outlined more fully at Article III of the Declaration, shall decide any question of business brought before such meeting, including the election of the Board, unless the question is one upon which, by express provision of the Declaration or these Bylaws, a greater vote is required, in which case such express provision shall govern and control the decision of such question. All votes may be cast either in person or by proxy. All proxies shall be in writing, and in the case of proxies for the annual meeting, they shall be delivered to the secretary at least five (5) days prior to said annual meeting. Proxies for special Lot Owners' meetings must be of record with the Secretary at least two (2) days prior to said special meeting. An Owner shall be deemed to be in good standing and entitled to vote at

any annual meeting or at any special meeting of the Association if, and only if, he shall have fully paid all due installments of Assessments made or levied against him and his Lot by the Board as hereinafter provided, together with all interest, costs, attorney's fees, penalties and other expenses, if any, properly chargeable to him and against his Lot, at least three (3) days prior to the date fixed for such annual or special meeting.

8. Proxies. The vote, which count is outlined more fully at Article III of the Declaration, appertaining to any Lot may be cast pursuant to a proxy or proxies duly executed by or on behalf of the Lot Owner, or, in cases where the Lot Owner is more than one person, by or on behalf of all such persons, but in no event shall more than one (1) vote be cast with respect to any Lot. No such proxy shall be revocable except by actual notice to the person presiding over the meeting, by the Lot Owner or by any of such persons, that it be revoked. Any proxy shall be void if it is not dated, if it purports to be revocable without notice as aforesaid. The proxy of any person shall be void if not signed by a person having authority, at the time of the execution thereof, to execute deeds on behalf of that person. Any proxy shall terminate automatically upon the adjournment of the first meeting held on or after the date of that proxy, and must be filed with the Secretary not less than three (3) days before the meeting.
